

Teacher Evaluation Form

(Internal evaluation form for use in interviewing scholarship applications)

Interview questions to ask **Scholarship Applicants:**

- If you did not receive this award, could you finance your project?
- Will you receive help from your school district or get assistance/support funding from another source?
- Have you applied for funds from any other source for this project?
- Are others working with you, is so, how will their expenses be covered?
- How will the applicant plan on using their project in teaching social studies/history?

Interview the reference:

- How do the staff and students respond to this instructor?
- What support will the school district/building administrator provide this instructor on this project?

How the applicant wants to receive the check:

- Plan A, check goes to school.
- Plan B, check is mailed to the applicant after the receipts have been received.
